Defeated, But Not Dishonored.

The State Senatorial Convention in the 9th district on the 21st nominated A. J. Stephenson for State Senator over H. B. Davenport, Jr., of Clay county. Mr. Davenport is a son of Col. H. B. Davenport, of this county. The senatorial district is composed of the counties of Clay, Boone, Braxton, Kanawha and Nicholas. The combined vote is 98, of which Kanawha has 48—just one half. Clay was entitled to the candidate and was unanimous for Davenport. While Kanawha conceded the candidate to Clay, the Charles town politicians claimed the right to name that man, and Mr. Stephenson was named, the vote standing 56 for Stephenson and 40 for Davenport. Kanawha and Boone vote solidly for Stephenson and Braxton, Clay and Nicholas were solid for Davenport. A staff correspondent of the Charles town Gazette has the following complimentary mention of Mr. Davenport:

"Henry B. Davenport, who received 40 votes for the nomination, is a coming man. Up in his home county they regard him as one of the 'any man' in the district, and he certainly has few superiors. They expect to nominate him for Congress some day, and at a later date to send him to the United States Senate. That is what old Mart Frame said yesterday, and the old man hasn't been prosecuting attorney of Clay county for 16 years without getting some insight into human nature. The young lawyer was defeated, but as he declared himself in a speech to the convention, he is 'not dishonored.' He will be heard from in the years to come."

A Traveling Pain.

There is no disease quite so peculiar as Rheumatism. The pain which is in the joints may be in one place to-day, and tomorrow, and so it travels all over the system, seeking an outlet, and finding none it settles permanently in one place, and there it remains, a constant source of suffering. Dr. Starkey & Palen's Compound Oxygen Treatment presents an easy way out of the dilemma; it has done so for more than a score of years and for more than three score thousand people. The agent used is the Compound Oxygen. The method puts it where it will do the most good—in the joints. The treatment neither interferes with business nor pleasure. This simple thing has made multitudes of run-down, overworked, nervous and sick people as good as new. For further particulars send for book of 200 pages sent free.

Home or office treatment. Consultation free.

SCROFULA

The Blighting Disease of Heredity.

In many respects Scrofula and Consumption are alike; they develop from the same general causes, both are hereditary and dependent upon an impure and impoverished blood supply. In consumption the disease fastens itself upon the lungs; in Scrofula the glands of the neck and throat swell and suppurate, causing ugly running sores; the eyes are inflamed and weak; there is an almost continual discharge from the bowels; the limbs ache, and white swelling is frequently a result, causing the diseased bones to work out through the skin, producing indescribable pain and suffering. Cutting away a sore or diseased gland does no good; the blood is poisoned. The old scrofulous taint which has probably come down through several generations has polluted every drop of blood.

Scrofula requires vigorous, persistent treatment. The blood must be brought back to a healthy condition before the terrible disease can be stopped in its work of destruction. Mercury, potash and other poisonous minerals usually given in such cases do more harm than good; they ruin the digestion and leave the system and blood worse than before.

S. S. S. is the only medicine that can reach deep-seated blood troubles like Scrofula. It goes down to the very roots of the disease and forces every vestige of poison out of the blood. S. S. S. is the only purely vegetable blood purifier known. The roots and herbs from which it is made contain wonderful blood purifying properties, which no poison, however powerful, can long resist. S. S. S. stimulates the system, purifies the blood, increases the appetite, aids the digestion and restores health and strength to the enfeebled body. If you have reason to think you have Scrofula, or your child has inherited any blood taint, don't wait for it to develop, but begin at once the use of S. S. S. It is a fine tonic and the best blood purifier and blood builder known, as it contains no poisonous minerals. S. S. S. is pre-eminently a remedy for children.

When my daughter was an infant she had a severe case of Scrofula, for which she was under the constant care of physicians for more than two years. She was worse at the end of that time, however, and we almost despaired of her life. A few bottles of Swift's Specific cured her completely, as it seemed to go direct to the cause of the trouble. I do not believe it has an equal for stubborn cases of blood diseases which are beyond the power of other so-called blood remedies.

Our medical department is in charge of experienced physicians who have made Scrofula and other blood diseases a life study. Write them about your case, or any one you are interested in. Your letter will receive prompt and careful attention. We make no charge whatever for this.
